STRANGE ANIMAL

Attacks Morton Hope While on Way to Galen Burden's Place Last Night

THING SCREAMED LIKE A CHILD

When Morton Hope was going from Earlington to the home of his uncle, Galen Burden, last night about 9 o'clock he was attacked by a strange animal just this side of the "plum orchard." Hope says he was going along the path whistling when an animal jumped over the fence and made at him. He thought it was a dog at first and scolded it, striking a match at the same time. When the match was struck the thing reared up on its hind legs and screamed like a child and Hope started to run. The thing soon caught up with him and he turned and struck more matches and it would disappear for a few steps. It followed him to Burden's house and Hope went in, got his gun and called to the dogs. They would not come, so he picked one of them up and carried it to where the animal had stopped outside the fence. He pitched the dog toward the animal and it ran toward the house. The animal jumped on the dog and clawed it up badly. Hope was unable to get a shot at the animal on account of the darkness and for fear of killing the dog. As soon as the dog ran under the house, the animal bounded off in the darkness, screaming as it went. The neighborhood is considerably worked up over the matter and fear the panther or whatever it is may attack some little child going to and from the neighboring houses or to the cow pastures. Young Hope was carrying a lot of fresh meat last night and this was probably the cause of the attack. A determined effort will be made to hunt it down tonight with men and dogs.

Chamberlain's Tablets

This is a medicine intended especially for stomach troubles, biliousness and constipation. It is meeting with much success and rapidly gaining in favor and popularity. Obtainable everywhere.

ENTERTAINED AT "ROOK"

One of the most charming social events of the season was a Rook Party at the home of Miss Mabel Browning Friday evening in honor of her guest Miss Nell Skinner, of Moreaufield, Ky.

The house was beautifully decorated in Chrysanthemums. After several highly exciting games of Rook at the close of the evening Mrs. Gilbert King having the highest score was presented with a beautiful pair of black silk hose. Miss Skinner also received a pair of silk hose as the guest prize. Miss Merrie King having the lowest score received the booby prize, a little cup with four "fourteens" in its hand, after which a delicious ice course was served by the hostess.

Those present were: Misses Nell Skinner, Susan Marie and Sarah Crockett, Geneva Huffaker, Freda Heller, Elizabeth and Margaret Kemp, Catherine Howard, Merrie King, Agnes Leach, Kathleen Spillman, Margaret Dunlop, Ida Lee Stok, Francis McEntire, Hazel Lucy and Julia F. Scott; Mesdames Gilbert King, Chas. Trishorn, Ellsworth Evans, Marion Stok and Harriet Browning.

Our Advice Is:

When you feel out of sorts from constipation, let us say that it is **Rexall Orderlies**. Do not believe you, see a physician, because no other home remedy will. Sold only by us, 10 cents.

MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

Look at tongue! Move poisons from liver and bowels at once

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious, "fruit laxative" and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50 cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Co."

REFUSES TO ENJOIN PREMIUM INCREASE

Counsel Shows Necessity of Raising Woodmen's Reserve

Chicago, November 17.—Judge Windes, in the Circuit Court, has refused to enjoin the Woodmen of the World from increasing its assessment rates. Geo. W. Miller, counsel for the order, introduced an affidavit showing the organization had \$970,000,000 insurance outstanding, with a valuation deficiency of \$158,000,000, according to reports of the organization's actuaries.

"There is a surplus of \$26,000,000, which is only a bagatelle compared to the amount of outstanding insurance," he said.

The petition for an injunction was filed by Isidoro Brown, a Chicago member.

BARNARD-CATES

Miss Robbie Barnard, of this city, and Mr. Clarence Cates, of Casa Grande, Ariz., were united in the holy bonds of matrimony at Dixon Tuesday afternoon at two o'clock. Miss Barnard is the daughter of Mr. and Mrs. S. M. Barnard, of this city and is an estimable young lady who has a host of friends and is quite popular where she is known. Mr. Cates is a telegraph operator in the employ of the Southern Pacific railroad and stands high in the estimation of the company. The young couple leave tomorrow for their Arizona home and carry the best wishes of the community for their future welfare and happiness.

Get Rid of Those Poisons in Your System!

You will find Dr. King's New Life Pills a most satisfactory laxative in releasing the poisons from your system. Accumulated waste and poisons cause manifold ailments unless released. Dismissal, spots before the eyes, blackness and a miserable feeling generally are indications that you need Dr. King's New Life Pills. Take a dose to-night and you will experience grateful relief by morning. 25c.

JAW BROKEN

By Accidental Blow From Heavy Wrench Saturday Morning

Olint Morris, while working on the repair track at the round house Saturday morning, had the misfortune of having his jaw bone broken by a heavy wrench slipping and falling on him. If the wrench had been coming with a little more force and the blow had been an inch higher up, death would undoubtedly have been the result.

He was taken to the St. Bernard hospital and later removed to his home. He is getting along as nicely as can be expected, and the chances are good for a speedy recovery.

STOLE THE STOVE

When the good people of the Old Salem neighborhood arrived at the Old Salem church Sunday night, they were unable to hold services on account of some enterprising thief having stolen their only stove. The stove was a large one and would have taken two or more men to handle it.

Auction Whist Club

The Ladies of the Auction Whist Club met with Mrs. W. H. Kline on last Friday afternoon. The members were delighted to have with them Mrs. Daves, of Evansville, who is a charter member of the club. Mesdames Nisbet and King were also attractive guests. Mrs. Atkinson made the highest, with Mrs. Nisbet as a close second. During the social hour Mrs. McNabb, of Decatur, Ala., who is the home guest of Mrs. W. P. Ross, was a charming visitor. Mesdames Kline, Ross, Johnson and Rule lead in the total score.

Distress in the Stomach

There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padgham, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." Obtainable everywhere.

HEALTH LEAGUE

Great Amount of Good Work Done The First Month

TREATMENT OF TRACHOMA WILL BE FOLLOWED UP

League Undertakes Sale of Red Cross Christmas Seals

At the meeting of the Executive Committee of the Hopkins County Public Health League held on Saturday night a detailed report was received from the visiting nurse, Miss Georgia Frederick, covering the work done during the first month since the organization of the League. Miss Frederick covered in detail the various school inspections she has made with the assistance of several of the physicians of Madisonville and Earlington, from which inspection some good results are already had in the way of treatment for trachoma and in the removal of diseased tonsils and adenoids. Plans are at work to bring about, if possible, the treatment of all cases of trachoma, as is required by Kentucky law, and general co-operation is expected at the hands of school teachers and school board, health officers, and parents of the children affected by this disease. When those most vitally concerned realize that there is serious danger of blindness and certainty of a spread of the disease if these cases are not treated so as to affect a cure, it is expected that everybody will assist in the movement to cure this disease and prevent its spread. Miss Frederick's report showed that she had visited some twenty homes in which there were cases of tuberculosis, in many instances giving personal help and instruction as to the proper care of these cases to prevent the spread of this dreadful disease.

The League has undertaken the sale of red cross seals, which are now being offered by a committee appointed especially to have charge of this campaign. Every Red Cross Christmas Seal that is sold is a real bullet in the fight against tuberculosis. The money received from the sale is used entirely in the fight against this disease. These seals last year helped to support thousands of needy tuberculosis patients and gave them a chance for life. About five hundred thousand dollars was received last year from the sale of these seals and a million dollars is needed this year. The good people of Hopkins County are given an opportunity to take part in this worthy movement, which not only raises money for a good cause but serves to spread the sentiment that gives backbone to the fight that is being pushed by State and county health organizations. Mrs. Ruby Laffoon, Mrs. J. F. Demsey and Prof. C. E. Dudley are the committee in charge of the red cross seal campaign.

Beware of Ointments for Catarrh that Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on the prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by E. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, O., by E. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

MOB HANGS NEGRO

At Henderson Sunday Morning—Attacked Young White Girl

Ellis Buckner, a negro, was taken from the Henderson jail Sunday morning and hung to a willow tree on the banks of the Ohio river about three blocks from the river. The mob worked quietly and accomplished their purpose without the police knowing anything about it. The crime for which Buckner was lynched was detaining Miss Hardin, a well known young lady, against her will. Very little excitement was caused by the lynching.
